COLLEGE of IDAHO (Formerly Albertson College of Idaho)
Caldwell, ID

Hot Off the Press

This past academic year, Albertson College of Idaho had much to celebrate. Some of the highlights include:

- ❖ Political Economy Professor Jim Angresano receiving the first of what we hope will be many **Carnegie Professorship Awards for Excellence in College Teaching** in Idaho.
- ❖ Class of 2007 graduate **Taylor St. John(Boise HS '04)** being awarded a **Marshall Scholarship**.
- ❖ **Derek Erstad(Timberline HS '05)** receiving a **Goldwater Scholarship for the next two years**. Erstad just completed his sophomore year at ACI.
- ❖ ACI having **28 All-America Scholar-Athletes**, which sets a new school record. The previous school record was 25 in 2001 and 2005.
- ❖ Four ACI coaches receiving **“Coach of the Year”** honors for the Cascade Conference – Al Mendiola (Softball), Liz Mendiola (Volleyball), Shawn Humberger (Baseball), and Brian Smith (Men’s Soccer).
- ❖ An extraordinary set of acceptances to law schools, medical schools, and graduate programs across the country.
- ❖ ACI debate team, the Howlin’ Yotes, has won **six Northwest Conference Division II Championships** in a row.
- ❖ An outstanding second Student Research Conference and Gipson Scholar Day with 66 students presenting their individual and group topics.
- ❖ Superb music and arts events topped by the ACI Chamber Singers’ trip to New York City and Carnegie Hall and the Theater Department taking a production to the regional conference for the Kennedy Center/American College Theater Festival for the first time in school history.
- ❖ The extension of the J.A. and Kathryn Albertson Foundation grant and the \$5 million in challenge funds for the Boone Science Hall remodel.

Counselor Campus Visits: During the last several years, high school counselors have proven invaluable in helping ACI find students who are a great match. We will be hosting several counselor visitation days throughout the year to show counselors what Albertson has to offer. Dates TBA.

Policies

Application Process: To apply to Albertson College, students must submit an application form, transcripts (from the high school and every college where credit was received), ACT or SAT, personal essay, a letter of recommendation from a teacher or counselor, and FAFSA (to finalize award letters students must complete this federal form).

Essay Requirement: Students taking the ACT will be **required** to take the essay portion of the test. Since the essay portion of the SAT is a standard part of the exam this new requirement will evaluate both ACT and SAT test takers similarly and fairly.

Financial Aid: ACI has made a commitment to keep high quality private education accessible to all students. Our tuition is about half of that of many other private colleges in the Northwest. After scholarships and aid, the cost can be comparable to that of a public university. Albertson College offers a variety of scholarships including merit, need based, performance, debate, athletic, alumni referrals, and the Campus Discovery Grant.

Important Dates

First Year Admission Calendar

July 15	Presidential Priority (non-binding) deadline
November 15	Early Action application (non-binding) deadline
December 15	Early Action notification of admission decision
February 15	Priority consideration deadline
March 1	Notification of admission decision
May 1	Candidate reply deadline and deposit due
After May 1	Applications accepted on a space available basis
June 1	Final consideration for freshman

Admission Events

October 5, 2007	<i>Fall Discovery Day</i>
November 10, 2007	<i>Kathryn Albertson Scholar Day</i>
January 21, 2008	<i>Winter Discovery Day</i>
February 22, 2008	<i>Winter Discovery Day</i>
March 14 & 15 2008	<i>Coyote Saturday</i>
April 18, 2008	<i>Junior Discovery Day</i>

Visit Information

Students who visit Albertson have the opportunity to sit in on classes, visit with professors or coaches, take a campus tour, eat lunch with current students, and even spend the night in the dorm. Students in their senior year that visit before February 15th are eligible to receive our \$500 Campus Discovery Grant (\$125 a year for 4 years). Personalized Campus Day Visits can be scheduled Monday – Friday and Personalized Overnight Visits can be scheduled Monday – Thursday by contacting the ACI Visit Center at 1.800.224.3246 / 208.459.5663 or by filling out the online visitation form at www.albertson.edu.

BOISE BIBLE COLLEGE
Boise, ID

Hot Off the Press

- ❖ Chuck McCoy will be a new Bible professor this year. He comes to BBC with 18 years of experience teaching in Christian colleges in the Midwest. Danny Harrod is a former graduate of BBC and our new Missions Professor. He has been one of our adjunct professors for several years as well as a full time missionary in Africa. After 18 years as president, Dr. Crane has resigned to Chancellor of the college and Terry Stine will be taking his place as President of BBC.
- ❖ The new the new chapel and classroom building has added an additional 13,000 square feet of classroom instruction space and includes two large lecture halls with the newest technology. Also under construction is the men's residence halls and our new student center.

Policies

Admissions:

Students seeking admission to Boise Bible College are required to submit the following materials:

1. Completed Application for Admission, application photo, and \$25 application fee.
2. Recommendations from:
 - a. Minister or Pastor
 - b. Teacher or High School Counselor
 - c. Personal Reference
3. Official Academic Transcript
4. SAT I or ACT scores

Applicants must meet the following standards:

1. 2.0 GPA
2. Class ranking in the 25th percentile or above
3. SAT I score of 880 (critical reading + math) or composite ACT score of 17.
4. Students must have demonstrated adherence to BBC standards of conduct and agree to abide by such standards while enrolled at BBC.

Students who do not meet the minimum standards may be granted conditional admission.

Financial Aid:

Financial aid is available through the college as well as from Federal and other outside sources. All students seeking financial aid at BBC must complete the Application for Admission, which includes the scholarship application, and the Free Application for Federal Student Aid (FAFSA). Types of Federal Aid available at BBC include Pell Grant, SEOG, Work-Study, and Stafford Loan.

BBC aid available to first-year students includes academic, freshman leadership, and some need-based scholarships. All BBC scholarships for first-year students are awarded on the basis of the student's application file. The scholarships available at BBC reward academic performance as well as leadership both on and off campus. Graduating seniors who qualify receive their final semester tuition-free.

Deadlines:

In order to be eligible for financial aid from BBC sources for the fall semester, students must have been accepted by the PRIORITY DEADLINE of MAY 1. In order to be considered for fall admission, all application materials must be received by the FINAL APPLICATION DEADLINE of AUGUST 15.

Tuition and Fees:

Full-time Tuition (12-17 hours).....	\$3,800/semester
Room & Board (double occupancy, 16 meals/week).....	\$2,370/semester
Fees.....	\$150/semester
<u>Books (estimated).....</u>	<u>\$250/semester</u>
TOTAL EXPENSES.....	\$6,570/semester

Visit Information

Perspective 2007: Junior and Senior students are invited to attend this free one-day campus visitation event. Visiting high school students attend regularly scheduled classes in progress, participate in chapel, eat in the dining room, and experience life as a BBC student for a day. Perspective provides students with a snapshot of what they would experience every day if they were to attend Boise Bible College. Overnight lodging in the residence halls is available upon request. Visitors can choose to attend Perspective on Friday – October 5, Friday – November 2, or Friday – November 9. Interested Juniors and Seniors are asked to register by contacting the BBC Admissions Office.

Preview 2008: All high school students are invited to a three day youth rally and campus visitation program April 10-12, 2008 at BBC. Visiting students will participate in activities planned and supervised by BBC students and attend workshops which survey some of the classes most enjoyed by the BBC student body. High school students will stay in student housing and have plenty of opportunities to mingle with the faculty and students, which make up the BBC family. Interested students are asked to contact the BBC Admissions Office for information.

Arranged Visits: Students who would like to arrange a campus visit should contact the BBC Admissions Office. Meals and overnight lodging in the residence halls are available.

BOISE STATE UNIVERSITY
Boise, ID

Hot Off the Press

- ❖ Discover Boise State is evolving! Starting in the Fall of 2007, we will offer four opportunities for students to attend an on-campus open house. These fun, half-day, Saturday programs will be an opportunity for prospective students and their families to visit campus and take a tour. In addition, they will learn about the admission process, financial aid and scholarships, orientation, housing, and academic advising (Dates to be announced). For more information, contact Katie Mills at (208)426-4113 or katiemills1@boisestate.edu.
- ❖ Our campus is getting a face-lift! We are very excited about all the new construction that is making Boise State an even better place to learn. In addition to a new parking garage, the following are some of the great new projects:

The Student Union Building expansion.

- The expansion will create a grand multi-purpose ballroom that will support a variety of entertainment and academic events, develop a suite of ballroom and meeting spaces that will give the student organizations, Women's Center, Cultural Center, Arbiter and campus radio station a great new centralized space. Table Rock Café will move downstairs to provide students and guests a much more open and welcoming place to enjoy a meal. The total project is planned from May 21, 2007 to June 30, 2009.

The Interactive Learning Center. (Opening August 23rd)

- This beautiful new building features a 200-seat lecture hall and 12 standard classrooms in addition to a multi-media lab, multi-purpose/distance learning classroom, visualization classroom, experimental classroom, and numerous study lounges. In addition to academic functions, the building will include a food-services area, a convenience store and a coffee bar featuring a cyber cafe/study lounge. A wi-fi network for wireless Internet connectivity will also serve the entire building.

Stadium Expansion Project

- This project will replace the aging press box and add luxury suites, club seats and loge boxes in time for the 2008 football season.

A new combined building for the Department of Nursing and the Student Health,

Wellness and Counseling Center

- The four-story building is expected to be completed in time for the Fall 2009 Semester and will enhance the already strong relationship between the College of Health Sciences and Health, Wellness and Counseling Services.
- ❖ Students who are named National Merit Finalists in their senior year of high school can receive a full tuition scholarship, renewable for four years, as well as a \$2,500 stipend to assist with housing and books each year. Students interested in learning more should contact Niki Callison at (208) 426-2715 or nikicallison@boisestate.edu.
- ❖ Idaho residents are eligible to apply for the new President's Civic Leadership Scholarship. These scholarships offer financial assistance to incoming students who have experience with and/or a commitment to civic leadership and civic responsibility in Idaho. For specific details go to:
<http://financialaid.boisestate.edu/scholarships/PresidentCivicLeadershipScholarship.htm>.

Policies

Scholarship and Financial Aid priority deadline: To receive priority consideration for the 2008-2009 academic year, the Admissions Office must receive all application materials by **February 15, 2008**. Students interested in need-based scholarships and student loans should also file the FAFSA by February 15, 2008. **Admission deadline:** The admission deadline for degree-seeking students interested in starting **Fall 2008** is **June 30, 2008**. Interested students may apply and pay the application fee online at admissions.boisestate.edu. All required application materials must be received in the Admissions Office by the deadline to be considered for full-time, degree-seeking status.

Important Dates

October 12	Mirando Adelante: Campus visitation program for Latino students.
December 5	Spring Application Deadline
February 15	Priority Financial Aid Application and Scholarship Deadline
March 31	Capital Scholars
June 30	Fall 2009 Admission Application Deadline

Visit Information

Prospective students are strongly encouraged to take advantage of the campus visitation program. Campus visits include enrollment counseling, a campus tour, class visits and meetings with academic advisors or the Honors College. All visit activities are free! Schedule your visit online at: admissions.boisestate.edu/visitus.

BRIGHAM YOUNG UNIVERSITY – IDAHO
Rexburg, ID

Hot Off the Press

- ❖ Expansion to the Manwaring Student Center and New 15,000-Seat Activities Center
Renovation and expansion work is taking place on the Hyrum Manwaring Student Center. The expansion will be constructed on the building's north side, with an enclosed pedestrian connection to the neighboring David O. McKay Library. An activities center will also be constructed on land immediately south of the John W. Hart Physical Education Building. The center will feature an auditorium with at least 15,000 seats to accommodate weekly campus devotionals, commencement ceremonies, and a variety of Activities Program events. The building will also include a number of multi-use areas that will better serve the needs of Academics and the Activities Program for sports, recreational, and social activities. Both of these projects are currently underway; scheduled completion dates are estimated at midyear 2009. The university is working in cooperation with the appropriate Rexburg city departments to move the design and building processes forward as quickly as possible.
- ❖ Rexburg Temple
The Rexburg Temple, located on the south end of BYU–Idaho campus, is scheduled for completion and dedication in late 2007.

Policies

Three Track System:

- The BYU–Idaho academic year consists of three semesters: Summer, Fall, and Winter. A student's track is the two semesters for which he or she may register for classes. Track assignments are permanent; only under certain conditions may the student attend classes during the semester that is not on his or her track. Because BYU–Idaho students attend two semesters per year, the same as students at other colleges, they can still graduate with a baccalaureate degree in four years.
- Beginning Summer 2008, track assignments will no longer be determined by grades, test scores, church endorsements, seminary attendance, extracurricular activities, and essay. (These factors will still be used to determine an applicant's admissibility to the university and freshman scholarships.) In order to create a balanced student body during all tracks, applicants should be prepared to receive the track offer that will allow the university to bless the greatest number of students. The Three Track System gives applicants the opportunity to both be blessed personally and bless the lives of others by being flexible with their academic schedules.

Scholarships:

- *Award of Excellence*- These scholarships are for new freshmen. They're based on a combination of academics, leadership, service, church activity, seminary activity, extracurricular activities, and essays. These awards range from quarter tuition for two semesters to full tuition plus \$250 for books for two semesters. All those applying for admission to BYU-Idaho will be considered for the Award of Excellence. *No additional application is required.*

- *Variable-Step Scholarships-* Because the Award of Excellence scholarships are applied to a student's costs for the first year of study, students will have the opportunity to earn additional scholarships every year through the Variable Step program. Based on their GPA and credits earned, students may earn a Variable Step scholarship covering full, ½, or ¼ tuition each year. *No additional application is required.*

Important Dates

Admission consideration will be given on the basis of all application materials being received before the deadline.

October 15 – The admissions application is posted on besmart.com

December 1 – Priority deadline for Summer (April) and Fall (September) semesters

February 1 – Application deadline to begin Summer (April) or Fall (September) semester

October 1 – Application deadline to begin Winter (January) semester

Visit Information

Students are invited to visit BYU-Idaho's campus any time during the year. Please call a week before your visit to schedule a campus tour. Tours are given from 9 a.m. to 3 p.m. weekdays. Tours include an introduction to campus facilities, programs, and atmosphere, as well as opportunity to personally visit with Admissions, Financial Aid, Housing, Advising, and other departments.

COLLEGE OF SOUTHERN IDAHO

Twin Falls, ID

Hot Off the Press

❖ New Hope Scholarships:

A new scholarship at the College of Southern Idaho is expected to provide college access to more first time college students than ever before. The New Hope scholarship is for first time college students who are also first-generation students - those whose parents didn't complete a college degree. The scholarships are available to students of all ages.

The New Hope Scholarship will provide up to \$750 per semester to full time students taking at least 12 credits or \$375 per semester for students taking at least six but fewer than 12 credits. Students must be able to verify that they are a first generation college student and have a high school GPA of at least 2.75 or a GED equivalent to qualify.

❖ Planning of New Health Sciences Building

CSI received approval and funding from the Idaho legislature to construct a new Health Sciences and Biology building. The \$21 million facility will be built just north of North College Road and will accommodate new instructional technologies and dramatically increase the number of openings for students wanting to pursue Health Science and Biology related careers.

❖ Student Housing Wired and Secure:

The CSI residence hall, Eagle Hall, now features a wireless network, new computer lab, and free cable television service for all residents. Also included in the upgrade is the installation of a new digital video security system that monitors all public areas and entrances to the facility. Free cable and internet services are also being installed at Northview Apartments, a college-owned apartment complex located close to the campus.

❖ Softball Field Nears Completion:

Following a very successful inaugural season that saw the Lady Golden Eagle softball team finish second in the Regional tournament, construction began on a new softball field. The new complex includes dugouts, bleachers, and is located just north of the gymnasium. The field should be available for use by the beginning of the regular season in February.

❖ Abriendo Caminos Program for Latino Students:

Latino students from around the state participated in the Abriendo Caminos Program this past August. This two day, one night residential program provides Latino students a connection to faculty, staff, and campus resources prior to the beginning of the fall semester. The program is free to invited students and includes room and board, the CSI Challenge Course, and various workshops and opportunities for scholarship.

Policies

○ Tuition and Fees:

2007 – 2008 Tuition and Fees:

Idaho Residents (10-20 credits)	\$2,100 / year
Non Residents/Foreign	\$5,900 / year
Part Time (under 10 credits)	\$105.00 per credit
All credits above 20 (add)	\$105.00 per credit
Dual Enrollment	\$65.00 per credit

Room and Board

Double Room	\$2,350
125 Meal Plan	\$1,540
150 Meal Plan	\$1,760
200 Meal Plan	\$2,020
250 Meal Plan	\$2,280

Important Dates

- Scholarships and Financial Aid:

Scholarship Application Deadline: March 1 Award Notification begins in March.
Financial Aid Deadline: March 1 for priority consideration. Notification begins in June.

- Special Events for Prospective Students:

The New Student Services Office will continue to host numerous special events for prospective students from throughout the State. Because of the overwhelming number of students participating in these programs, high schools are encouraged to only allow current juniors and seniors to attend. Important events for 2007-2008 include:

Business Day
Multicultural Day
Fine Arts Day
Professional Technical Day
Teacher Education Day

Other events including Eastern Idaho and Western Idaho Days for prospective students and counselors will be announced as they are scheduled.

EASTERN IDAHO TECHNICAL COLLEGE

Idaho Falls, ID

Hot Off the Press

- ❖ Eastern Idaho Technical College (EITC) is pleased to announce that the Idaho State Board of Nursing has granted approval for planning a new **RN** program. This approval allows the college up to one year of planning prior to admission of the first students into the program. This program is an LPN-to-RN model. Students must have a valid Idaho practical nursing license in good standing in order to apply for the program. EITC has put together a committee to proceed with the process. For more details on this program, go to: <http://www.eitc.edu/aca/rn.cfm>. The plan is to start classes in May of 2007.
- ❖ Construction on the new **Health Education Building** is under way. This state-of-the-art facility will be shared with Idaho State University, and will allow the institutions to offer premium training and education for the future healthcare workers of our area.
- ❖ Nine EITC students enrolled in the marketing program participated in the state Delta Epsilon Chi Career Development Competition. The students participated in individual and team events, bringing home two first place awards and four second place awards.
- ❖ The **EITC SIFE** (Students in Free Enterprise) competed in the Western Regional Competition in San Francisco in March. After taking first place in 2005, the EITC students came home with the 2nd place trophy this year. They competed against colleges and universities from Hawaii, California, Washington, North Dakota, and Minnesota.

Policies

Eastern Idaho Technical College will now accept either a COMPASS test score, or an ACT or SAT score for admission.

All application forms are now available online: www.eitc.edu! Forms include:

- Application for Admissions
- Transcripts Request Form
- Scholarship Application
- EITC Financial Aid w/online application link to FAFSA

Submit completed application and official transcripts from last high school and any post-secondary institution attended. Official GED test scores will be accepted in lieu of high school transcripts where appropriate.

Submit \$10.00 non-refundable application fee and complete preliminary educational assessment (COMPASS or ACT). The COMPASS assessment is offered several times Monday through Friday. Call 524-3000 ext. 3371 to schedule an appointment.

Fees for the 2006-2007 school year:

\$79.00/credit

\$789.00/semester (full-time resident)

\$47.00/semester mandatory insurance fee (this may change due to the contract)

\$15/semester computer lab fee for all registered students

\$10 application fee.

Additional fees are described in the EITC 2006-2007 catalog, page 6.

Important Dates

March 1-Scholarship Deadline

June 1-Priority Financial Aid Deadline

February (specific date will be announced later)-EITC Advantage Fair

IDAHO STATE UNIVERSITY
Pocatello, Idaho

Hot Off the Press

- ❖ Idaho State University has some new faces on its campus; especially on the recruitment team.
 - On August 1, 2007, Dr. Steven Neiheisel, Associate Provost for Enrollment Management arrived on ISU's campus.
 - On February 1, 2007 Scott Teichert, became Director of Admissions and Recruitment Services.
 - Check out the other new faces under our directory.
- ❖ New Programs:
 - The B.S. in Speech Pathology and Audiology has been replaced with a B.S. in Communication Sciences and Disorders-Emphasis in Pre-audiology and in Pre-Speech-language Pathology.
 - New Minor in Folklore Studies a combined effort of Anthropology and English.
 - The Business Information program is offering two Associate of Applied Science Degrees: Administrative Office Management and Accounting Clerk.
- ❖ Energy Systems Instrumentation and Controls Engineering Technology-An Associate of Applied Science degree will begin this fall to prepare students for employment as Engineering Technicians in electrical power generation fields. Electrical generation technologies include nuclear, coal, gas, and renewable technologies.
- ❖ The Massage Therapy program is expanding. Now students can pursue a Technical Certificate, Associate of Applied Science Degree or Bachelor of Applied Technology degree.
- ❖ The Associate Degree Registered Nurse and the Health Information Technology AAS can both be completed fully online.
- ❖ The University Honors Program at Idaho State University has been organized into a cohort model with a challenging and imaginative curriculum. Its structure mirrors a smaller, private college atmosphere, and provides students with an exploration of creative and critical thinking in the liberal arts and sciences. Graduates of the University Honors Program earn an Honors Bachelor degree; the only such degree offered in the State of Idaho.

Policies

- In order to be consider for scholarship opportunities at Idaho State University; students must submit their application, along with official high school transcripts, and SAT or ACT test scores by **February 15th**. Students are strongly encouraged to submit a resume outlining their achievements in leadership, talent, service, and work experience.
- Freshman Pre-Registration will be held the week of April 7th-11th. The entering freshmen class of 2008 is invited to campus to register for the fall semester. Those students who attend get the first pick of the class offerings. This is an opportunity to complete advising, registration, housing, financial aid and scholarships for the fall semester at once.
- In order to allow students to reserve their spots into limited-seating programs the College of Technology now requires a \$75.00 deposit after acceptance into these programs.

Important Dates

Scholarship Deadline-February 15th

Bengal Vision-October 20th

Future Scholars of Idaho-Realizing your Potential-October 4th (Seniors only)

Pre-Registration-April 7th-11th.

Visit Information

- BENGAL VISION is a one-day campus preview program on **Saturday, October 20th 2007**. Students will enjoy a visit including campus tours, sessions with faculty in your major, valuable admission and scholarship information, lunch, T-shirt, and a football game ticket. Contact us at 208-282-2475 for more information.
- CONNECTIONS is a visitation program sponsored by the Division of Enrollment Planning at Idaho State University, in conjunction with ISU's ethnic student organizations. It is a one-day program that will provide students with important information pertaining to college such as financial aid, scholarships, and campus housing. Contact Ryan Watson at 208-282-2475 for more information.
- INDIVIDUAL CAMPUS VISITS are available Monday through Friday. We invite students to schedule an individual visit any day that classes are in session. Our comprehensive tour program will allow students to tour ISU's campus, visit with faculty about programs of interest, enjoy complementary meals, and experience campus amenities such as Reed Gym, the Bengal Movie Theater, and more! To schedule a campus visit contact our office at 208-282-3277, or online at <http://www.isu.edu/departments/enroll/visitisu.shtml>.

LEWIS-CLARK STATE COLLEGE
Lewiston, ID

Hot Off the Press

- ❖ LCSC has been approved for a new, state-of-the-art Health Sciences Building. The 50,000 square foot facility will accommodate Biology, Chemistry, Nursing, and Medical Diagnostic Imaging labs, classrooms and faculty offices. Construction is expected to begin this fall or spring. Doors will be open Summer 2009.
- ❖ Certified by the American Hotel and Lodging Association and the National Restaurant Association, LCSC's Hospitality Management program is the only bachelor's degree level program in the State of Idaho. Students are trained in the areas of food and beverage management and hotel/motel management. Graduates are sought by hospitality establishments not only in Idaho and the Northwest but also nationwide.
- ❖ The LCSC baseball team won its 15th NAIA National Championship title. In addition to the title, eight baseball players were drafted in the Major League.
- ❖ LCSC Coeur d'Alene continues to expand with the Northern Idaho community and is now celebrating nearly 30 years serving North Idaho residents. LCSC-CDA offers seven bachelor's degrees (11 majors) with seamless transfer from NIC and other community colleges. A recent facility expansion with additional space for a growing staff and faculty will enhance community visibility, facilitate inter-institutional collaboration, and increase student access. A newly renovated computer classroom provides wireless connection and the latest computer assisted technology for classroom instruction. For more information, visit www.lcsc.edu/cda.

Policies

- Admission deadline: Students may apply for admission and pay the application fee at www.lcsc.edu/admissions. Although LCSC does not have an official admission deadline, students are encouraged to have admission materials submitted no later than five days after classes begin. Admission materials include: application, \$35 application fee, high school transcript, ACT/SAT or Compass scores, and official college/university transcripts.
- Financial Aid deadline: To receive priority consideration for financial aid, FAFSA's central processor must receive the student's FAFSA by *March 1, 2008*. In addition to submitting the FAFSA, students need to be tentatively admitted to LCSC. For more information, visit www.lcsc.edu/financialaid.
- Scholarship deadline: Students interested in applying for LCSC scholarships must submit their application to the Financial Aid Office by March 1. In most cases, students also will need to file a FAFSA prior to the March 1 priority deadline. To view all LCSC scholarships, visit www.lcsc.edu/financialaid/scholarships.htm.

Important Dates

- October 3: Health Occupations Day
- October 4, 26 & November 9: Warrior Discovery Day
- October 19: Forensic Science Seminar
- January 22: Twin Falls Information Night
- January 23: Boise Information Night
- January 24: Caldwell Information Night
- January 30 & February 6: Admissions/Financial Aid Workshop
- March 1: LCSC Priority Deadline
- March 27: Student Advising & Registration (STAR) for High School Seniors
- April: Boise & Twin Falls Advising Sessions for High School Seniors (Date TBD)

Visit Information

- Students will have the opportunity to tour campus, meet with an enrollment advisor, and visit with professors in their major interest area. Students interested in a professional-technical program are encouraged to take advantage of our “student shadow.” To schedule a visit, please contact the Office of New Student Recruitment at 1.800.933.5272 or 208.792.2378. For more information, visit www.lcsc.edu/admissions.
- New this year is LCSC’s Health Occupations Day. Sessions include: Dental Hygiene, Dentistry, Health Coaching, Nursing, Pharmacy, Physical Therapy, Physician, Physician Assistant, Podiatry, Public Health/Epidemiology, Occupational Therapy, Optometry, Radiography, Sports Medicine/Exercise Physiology, and Veterinary Medicine. For more information, visit www.lcsc.edu/healthday.

NORTH IDAHO COLLEGE
Coeur d'Alene, ID

Hot Off the Press:

- ❖ New Programs and Expanded Programs: Beginning Fall Semester 2007, NIC will double its capacity in the Diesel Technology and Welding Technology programs by reconfiguring how the courses are delivered. These programs have been filled to capacity in recent years.
- ❖ NIC will offer a new Basic Manufacturing certificate as part of the Machine Technology program.
- ❖ Beginning in January of 2008 the Resort/Recreation Management program which is currently designed as a two-year associate degree program will be offered as a new nine-month certificate option.
- ❖ Beginning in summer of 2008, NIC will offer an eight-week certificate program in Diesel Technology and Automotive Technology.
- ❖ NIC's registered nursing program has expanded to Bonner County.
- ❖ The Dual Credit program will continue to expand with more classes being offered at regional high schools.
- ❖ NIC opened a new outreach center in Bonners Ferry in July of 2006.
- ❖ The Landscape Technology, Human Services, and Human Resources Assistant programs are no longer being offered due to declining enrollment.
- ❖ Honors and Awards: NIC athletic teams won regional championships in men's soccer, volleyball, wrestling, and softball. NIC once again fared well at the NJCAA national tournament competition with the softball and volleyball teams capturing second and the wrestling team capturing third. Softball and women's basketball won NJCAA Academic All-American status last year, six athletes earned NJCAA Academic All-American status, and six players were named to NJCAA All-Tournament teams.
- ❖ Award-winning students: Heather Lewis, an NIC sophomore from Pinehurst, was one of 51 students in the country and the lone student from Idaho to be selected for a Jack Kent Cooke Undergraduate Transfer Scholarship.
- ❖ Every NIC registered nursing student passed the licensure exam last year, giving NIC another 100 percent pass rate.
- ❖ A total of seven NIC business students captured national awards at the Business Professionals of American conference in New York City in May 2007.

- ❖ NIC auditorium staff and theatre graduates received several prestigious awards from the Kennedy Center American College Theater Festival for their production of “Midsummer Night’s Dream.”
- ❖ The Sentinel, NIC’s student newspaper, and several Sentinel reporters once again won numerous regional and national awards in competitions that included four-year schools.

Policies

- Applications for admission and scholarships are online at www.nic.edu
- We accept ACT, SAT, or COMPASS scores.

Important Date

- August 27, 2007 – Fall Semester Begins
- January 14, 2008 – Spring Semester Begins
- March 1, 2008 – Priority NIC Scholarship Application Deadline
- March 15, 2008 – Priority Financial Aid Deadline

Visit Information

- Prospective students are encouraged to visit our campus and receive a tour from an Ambassador, a current NIC student, meet with faculty, discuss program options with an advisor, and receive a first hand look at the residence halls. We offer tours Monday through Friday. To arrange a visit, please contact the Admissions Office at (208) 769-3311.
- NIC First Fridays 2007-08 – Oct. 5, Nov. 2, Dec. 7, Feb. 1, Mar. 7, Apr. 4, and May 2
- Communications/Fine Arts Day – October 30, 2007
- High School Tech Tour – February 26, 2008

NORTHWEST NAZARENE UNIVERSITY
Nampa, ID

Hot Off the Press

- ❖ Since its re-establishment as a major at NNU in 1998, nursing has been the fastest growing major on campus and recently became the largest area of study with almost 200 students enrolled. This outstanding increase of nursing students has far exceeded current capacity, creating an urgent need for larger classrooms and clinical labs. Mathematics, physics, computer science, biology and chemistry, in addition to nursing, also require additional research space and new laboratories to accommodate current and future growth. Therefore, NNU will be breaking ground this fall on a new science and nursing building, which will be a ten million dollar campus addition. It will have state of the art classrooms, cadaver, physics and chemistry labs and many more amenities that will make this a top notch building.
 - NNU students have a 94% passing rate of the NCLEX (licensing exam)
 - And 100% employment rate upon graduation
- ❖ NNU introduces a new Journalism major that will be run by the English department. The mission of the program is to train students to become exceptional journalists and leaders in the ongoing transformation of the worldwide news media. The major is designed to be a balance of the study of journalism theory and hands-on practice of the newspaper trade. In addition to the core journalism and liberal arts general education classes, the journalism program requires students to add a minor concentration as an area of specialization. Students will also be required to go beyond classroom learning as they are aggressively placed in internships which are required for graduation and will help students get published in newspapers and magazines.
- ❖ With over 70% of students living on campus, NNU decided it was time to fix-up some campus housing. The Olsen apartment complex, home to juniors and seniors received a full renovation this summer. Additional remodels occurred in Culver Hall (freshmen men) and Corlett Hall (juniors).
- ❖ NNU's Athletic Department has decided to reinstate men's soccer. They will be competing as a club program starting this fall and will begin NCAA Division II play in the Great Northwest Athletic Conference starting fall of 2008. NNU is very excited to bring back this program. Men's soccer was sponsored from 1978 until it was suspended following the 2002 season. Coe Michaelson has recently been hired as the head men's soccer coach.
- ❖ In partnership with the Office of Student Development, NNU's Athletic Department has decided to bring back cheerleading after a five year absence. The reinstatement of this program was initiated and carried through by students. This new program will hopefully provide another opportunity for student involvement and will make a positive impact on the atmosphere of games and the support of athletic teams.

Policies

- Admission is routinely granted to candidates who have graduated from an accredited high school and have maintained at least a 2.5 grade point average, have a minimum ACT composite score of 18 or a minimum SAT math and reading composite score of 870, and have graduated in the upper one-half of their class.
- Students must submit an NNU application for admission, ACT or SAT score, official High School transcript, two recommendations, and a \$25 application fee.

UNIVERSITY OF IDAHO
Moscow, ID

Hot Off the Press

- ❖ The University of Idaho is proud to have granted its 100,000th degree in Spring, 2007. This milestone speaks volumes about the longstanding quality of education at the University of Idaho and its impact on the state of Idaho and beyond.
- ❖ New Major in Fire Ecology and Management.
 - By creating the nation's first Fire Ecology and Management bachelor's degree the University of Idaho has stepped up to meet the growing demand for highly-trained fire professionals who can make sound decisions about forest fire prevention, suppression and management. Our graduates in this area will be in demand for leadership positions in federal and state government agencies as well as non-profit and consulting groups. For more information visit www.cnr.uidaho.edu/wildlandfire
- ❖ The University of Idaho was named a "Publisher's Picks 2006" by The Hispanic Outlook in Higher Education. The designation recognizes Idaho as a university that offers Hispanic students a solid chance of academic success. As an example the UI CAMP program graduated 28 students, tying for the largest number in the nation along with the program at Michigan State.
- ❖ The University of Idaho has opened the doors of its new Multicultural Student Center. The center is a beautiful space and a wonderful statement of the university's commitment to diversity. The Multicultural Center provides a space for students to do homework, relax, hangout with friends, and hold meetings and activities.
- ❖ Steve Martin, a member of the Muscogee Creek tribe, joined the university this summer as the new director of the University of Idaho's Native American Student Center. He will develop and oversee academic and personal development programs for Native American students, including recruiting and retention, education and career planning, transition assistance and coordinating cultural activities.
- ❖ University of Idaho offers "full ride" scholarships for National Merit Finalists. National Merit Finalists will receive scholarships that cover basic tuition, fees and books as well as room and board costs each year for 4 years, worth more than \$45,000 total. The University of Idaho ranks second in the Northwest for enrolling new National Merit Scholars. Fall 2007 enrollment included 14 new National Merit Finalists; there are now 42 National Merit Scholars enrolled at Idaho.
- ❖ Over 864 students entering the University of Idaho in Fall, 2007 received scholarships under the new "Go Idaho" scholarship program. This new scholarship program guarantees Idaho high school graduates with a 3.5 cumulative GPA at least \$6,000 in scholarship funding (\$1,500 a year) for up to 4 years if they maintain a 3.0 GPA.

Policies

- The University of Idaho does not require the writing portion of the SAT and ACT.
- A complete undergraduate application includes: Application for admission, ACT or SAT test scores, current transcripts, scholarship supplement, and \$40 application fee. Students may apply on-line at: www.students.uidaho.edu/admissions.
- For financial aid and scholarship information, go to: www.students.uidaho.edu/finaid.
- Idaho's catalog is on-line at www.uidaho.edu/catalog
- Applicants who are enrolled in dual enrollment and/or Advanced Placement (AP) programs should submit their official program transcripts to our Admission Office in order to receive a UI credit course evaluation. For more information, see "Transfer Guides" at: www.students.uidaho.edu/registrar.

Important Dates

- October 5 - Vandal Preview (Primarily high school juniors and seniors)
- February 15- UI Priority Date for Financial Aid and Scholarships
- March 28- Vandal Friday (High school seniors only)
- April 4 - Vandal Transfer Day (Potential transfer students)
- April 26 – Idaho Sneak Peek (Primarily high school sophomores and juniors)

Visit Information

- We encourage students and parents to stop by our campus for a visit. Students get a chance to tour campus, Residence Halls, or Greek Life, meet with faculty, learn more about financial aid, and get a sample of campus life. To set up a visit call 208-885-6163 or sign up online at www.students.uidaho.edu/futurestudents.

UNIVERSITY PLACE – ISU-UI Idaho Falls, ID

Hot Off the Press

- ❖ Traditional Students: Growth in the number of students coming to University Place directly from high school makes UP a great option for the traditional student to interact with peers
- ❖ Student Activities: Opportunities to get involved and meet other students include reduced fee membership at Apple Athletic, free movie passes, live music at lunch, free barbecues, karaoke, pizza and prizes, blood drives, clubs and service organizations
- ❖ Scholarships for Local Students: Fred Tingey Memorial Fund, John & Olive Adams Scholarship, Washington Group, UP5K Fun Run/Walk
- ❖ Health Sciences Building: Opening Fall 2007, the Health Sciences Building is on the Eastern Idaho Technical College campus. Equally sharing the facility will allow both ISU and EITC to better fill the area's need for more trained medical personnel without duplicating programs.
- ❖ 10th Anniversary (1997-2007): Idaho State University and University of Idaho are celebrating the 10th anniversary of our partnership agreement to provide higher education and student services at University Place.
- ❖ Web Courses and Certificates: Many of the general education courses are offered online through UI or ISU. UI now offers a certificate in Emergency Planning and Management and Human Performance Technologies for advanced students.
- ❖ Center for Advanced Energy Studies: Scheduled to open in 2008, CAES will create learning and research opportunities for students in many disciplines

Policies

Admitted students at UI or ISU can take courses from either school through a combined registration and fee payment system. Financial aid for eligible degree seeking students is awarded through Idaho State University (www.fafsa.ed.gov, code 001620). Scholarship recipients are chosen by the students' home institution. Students must submit an application for admission to ISU or UI, ACT or SAT scores, and an official high school transcript (6 or 7 semesters for ISU, 7 semesters for UI) by February 15, 2008 for priority consideration.

Important Dates

- | | |
|------------------|---|
| ○ August 20-24 | Welcome Week |
| ○ September 22 | UP5K Fun Run/Walk |
| ○ Early November | Registration begins for Spring 2008 |
| ○ November 20 | Celebrate Your Future diversity event at University Place |
| ○ February 15 | Priority financial aid consideration |
| ○ Early April | Registration begins for Fall 2008 |

Visit Information

- The Student Services Office at University Place is open M-F 8a-5p and also Wednesdays until 7pm. Summer hours vary; please call 282-7900 or 282-7800 for hours.
- Students are encouraged to drop by for general information. To set an appointment with an academic advisor, call 282-7900 or 282-7800.
- Staff and advisors are available to assist students with questions about admission, registration, fee payment, financial aid, and campus resources. Students can visit University Place's computer labs, technology equipped classrooms and take a walk around the Bennion Student Union Building. The BSUB houses most of the student services related offices such as the nurse practitioner, counseling, testing and career services, bookstore, photo ID, parking services, financial aid, admission and registration, student organization offices and meeting rooms. The BSUB is also home to a café and the Early Learning Center (ELC). The ELC provides childcare for students, staff and faculty at affordable costs.
